

Model: LC-32Q3170U

- **Conveniently-sized** 32-inch class screen models are practical for guest bedrooms, home gyms, college dorm rooms and other secondary rooms or smaller spaces.
- **HD (1366 x 768) resolution** provides a higher quality picture than standard definition TVs.
- **Motion Rate 60 technology** makes every detail matter during fast-moving scenes.
- **Direct-lit LED backlight** TVs show pictures with an improved contrast than edge-lit LED backlighting.
- **Game Mode** enables faster video processing.
- **HDMI ARC/CEC support** makes the setup process much more streamlined by minimizing wires and enabling devices to 'talk to' one another.
- **USB & HDMI ports** are available to connect external devices and offer more entertainment options.

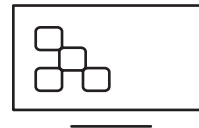

PICTURE QUALITY

HD resolution and Motion Rate 60

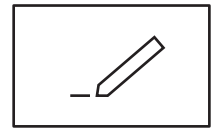

SIZE

32" class / 31.5" diagonal

Technology

Game Mode enables faster video processing and Direct-lit LED backlighting improves contrast

HDMI CEC & ARC Support

Streamlined setup

Unconnected TVs that offer practicality and options

Who says unconnected (i.e., non-Smart) TVs can't still provide options for your entertainment needs? **Sharp Q3000 Series LED TVs** contain USB and HDMI ports to connect external devices and come in convenient sizes that are ideal for guest bedrooms, home gyms, college dorm rooms, and other secondary rooms or smaller spaces. Depending upon the screen size, they feature FHD and High Definition (HD) resolution which provide a clearer picture than standard definition TVs. Other great features that are included in this series of TVs are Motion Rate 60 technology to minimize judder during fast-motion scenes, direct-lit LED backlighting for improved contrast, HDMI ARC support to eliminate having to use multiple cables to send audio to a soundbar, HDMI CEC support to enable your external AV devices to control one another, and Game Mode for faster video processing.

All of this practicality adds a 'kick' to this classic, unconnected TV that's a smart way to satisfy your entertainment needs.
