Slim design

## Enjoy a Smart TV with an Incredible Picture

The Sharp LC-32Q5280U model features High Definition (HD) resolution that provides a clearer picture than standard definition TVs. Other great features that are included in this must-have are Motion Rate technology to minimize judder during fast-motion scenes, direct-lit LED backlighting for improved contrast, and Game Mode for faster video processing.

All of this practicality makes this smart TV an even smarter way to satisfy your entertainment needs.
